Family and Individual Portrait Sessions

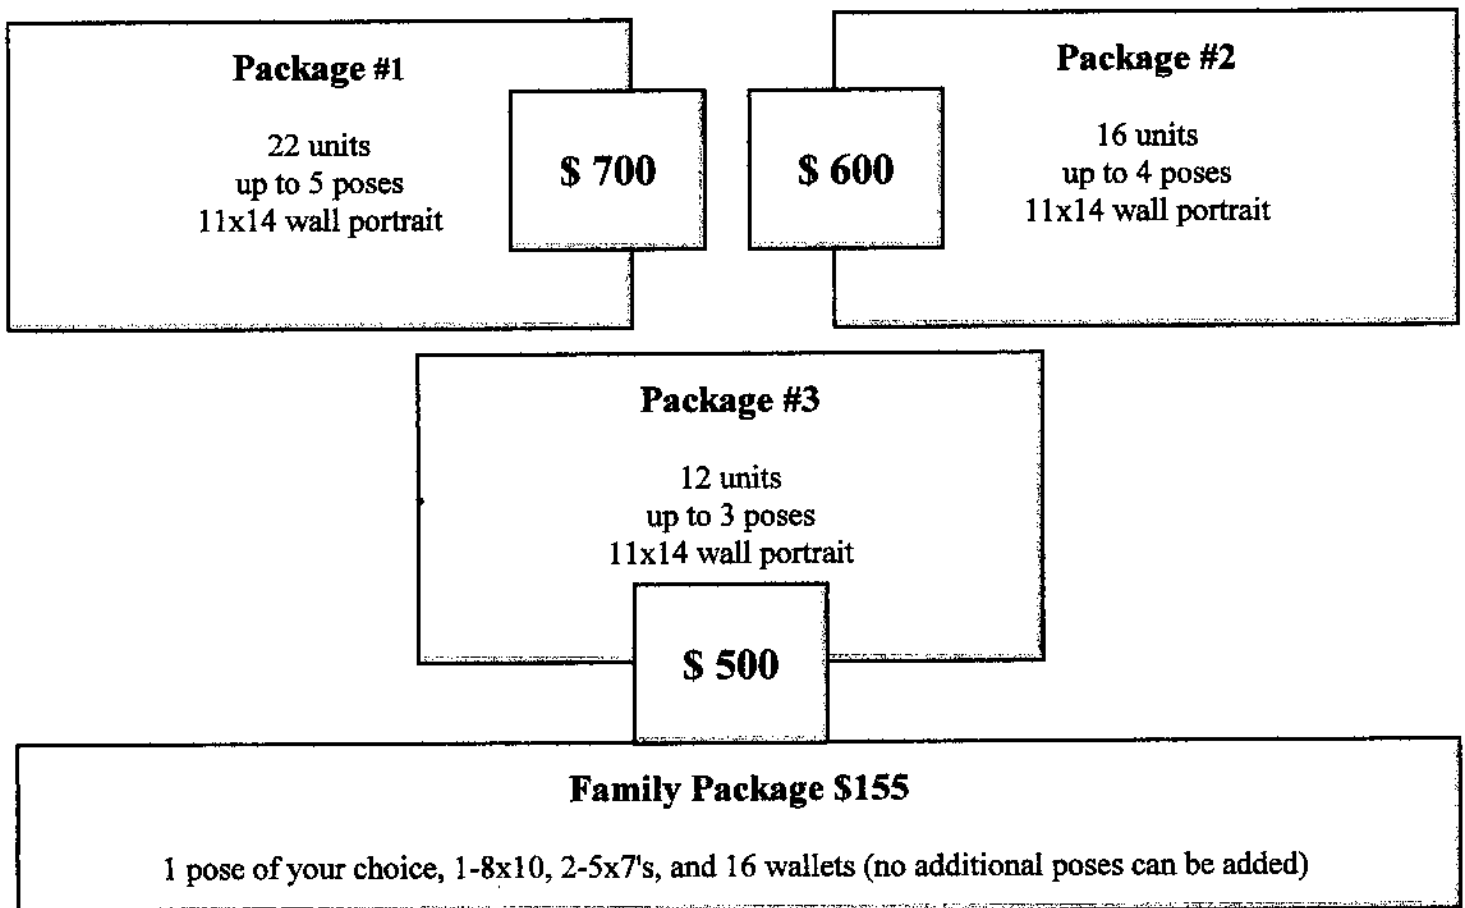

To order your portraits, we will set up an appointment to view your personal slide show in which each image taken will be viewed through our projection system. A proof book is also available with a \$150.00 deposit which applies to your reprint order. The proof book allows you to take images out of the studio to show family and friends. A deposit of 50% is required before any reprint order will be sent to the lab. The remainder is due when your order is completed. No order will be released until payment in full is received. All reprints include retouching. Extensive artwork and digital work will be quoted at cost. Please allow 4 to 6 weeks for your portraits to be completed.

Short Session \$35.00

Ten to fifteen outdoor and/or in-studio images taken with your choice of color or black and white, or sepia (brown tones). Session fee is due at time of session.

Extended Session \$55.00

Twenty or more outdoor and/or in-studio images taken with your choice of color and or black and white, or sepia (brown tones). Session fee is due at time of session.

Additional Pose

An additional pose may be added to any package for \$15.00 each (with exception to the Family Package)
